Gray Wolf Trail #834

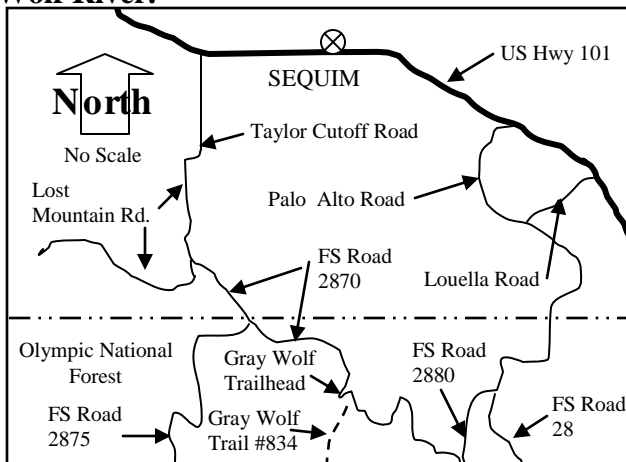

Hood Canal Ranger District – Quilcene Office
295142 Highway 101 S. P.O. Box 280
Quilcene, WA 98376 (360) 765-2200

Recommended Season
SPRING SUMMER FALL WINTER

ACCESS: Travel 2.5 miles west of Sequim on US Highway 101, turn south onto Taylor Cutoff Road, go 2.7 miles to Lost Mountain Road. Proceed on Lost Mtn. Rd. 2.5 miles, turn left onto FS Road #2870. Follow FS Road #2870 5.3 miles to the trailhead on the right. Trailhead was relocated one mile west of the previous trailhead due to slides on first part of trail. The trail ends at 4.2 miles due to slides and a missing bridge.

Note: For access to the upper portion of the Gray Wolf Trail take Slab Camp Trail #838 to the bridge (installed 10/05) over the Gray Wolf River.

OPPORTUNITIES: Day hiking, backpacking and fishing. Please use existing campsites when possible and do not camp within 100 feet of water sources. This trail offers access to fishing areas along the Gray Wolf River. Treat water from streams before using. Please pack out what you pack in. Practice LEAVE NO TRACE techniques during your trip.

CLOSURES: Motorized vehicles and mountain bicycles are prohibited on the entire trail. Stock are prohibited from the trailhead to the junction with Slab Camp Trail #838. Stock users should access Gray Wolf via Slab Camp Trail #838.

NOTE: Pets are prohibited in Olympic National Park.

TOPO MAPS: Buckhorn Wilderness Custom Correct Map or Tyler Peak USGS Quad.

PASS NOT REQUIRED: A Recreation Pass is NOT REQUIRED at this trailhead.

FACILITIES: Small trailhead parking. No other facilities.

SETTING: Dense hardwoods and conifers along the Gray Wolf River. Scenic canyon and spring-blooming native rhododendrons.

TRAIL INFORMATION: 4.2 miles to former bridge site and end of trail. Grades up to 15%.

Destination	Miles	Elev.
Lower Trailhead	0.0	1,250'
Bridge out (trail ends at this point).	4.2	1,500'

Gray Wolf River in winter.
